Annual Department Budget Report — FY 2026

Prepared by the Finance Committee | April 2026

This report summarizes the approved annual budget allocations for each department.

Budget figures are presented by quarter (Q1-Q4) and annual total.

Subtotal rows are included within the Engineering section for personnel vs. non-personnel costs.

The DEPARTMENT TOTAL row in each section reflects the full departmental allocation and is the authoritative figure for roll-up calculations.

Departments covered: Engineering, Marketing, Operations, Human Resources
